## About Us

Our camp offers the unique opportunity to enjoy a wide variety of amazing trips and activities within a Jewish and Torah-oriented environment and also to immerse oneself among the wonders of Hashem's creation. It is almost as if Perek Shira and Pirkei Avot are coming to life! This camp also aims to educate and find ways to put halacha to practical use.

## Explore and Have Fun at Extreme Adventure Camp

"...this camp is unlike any I've ever seen, and I highly recommend it to anyone who loves to get into the great outdoors, and experience things they could never do elsewhere."
